Bernkasteler Badstube Riesling Spätlese Dr. Heidemanns-Bergweiler

Terrior

The closest vineyard to the Wine Estate is the Bernkasteler Badstube (loosely translated it means something like „the roman spa of Bernkastel). Our property is split into many small lots, totaling to about 15 acres. The main soil type in the Bernkasteler Badstube is a medium-deep clay-slated residual soil having varying parts of loam and stone mineral content. In some areas one encounters pure slate having a high mineral content

Description

Attractive flavors of jellied citrus, ju-jube, ripe apple and quince mark this exuberant, open-knit Bernkasteler Badstube Riesling Spätlese. This shows verve and cut, which keep it well-defined through the lingering aftertaste

Suggestion

Works great with any kind of spicy cuisine, like creamy Indian chicken curry or Thai food

Quality Level

Spätlese

Varietal

100 % Riesling

We say:

“The best category the Mosel has ever had! This is the perfect combination of sugar and acidity. Food friendly and even better just by itself ... this is Mosel!”
