Dr. Heidemanns-Bergweiler/ Bernkastel-Kues Bernkasteler alte Badstube am Doctorberg Riesling Auslese

Terroir

The Doctorberg is the prime vineyard of Dr. Heidemanns-Bergweiler. It is only 4 acres in size and it is held to 100% in the hands of the Pauly-Family. The stony blue-grey clay slate is a residual soil having a very good heat-storing potential, which makes it possible to produce quality grapes for high-end wines. The high proportion of blue slate gives the wine a high content of minerals and finesse. Because of the partly than 70 years old vines the yield is very low due to small aromatic grapes.

Description

The Doctorberg Riesling Auslese is a vivacious wine, bursting with aromas and flavors of honey, citrus and apricot, extremely concentrated and focused. A heavier style of Riesling with great aging potential.

Suggestion

Leave it for another 30+ years or drink it now as a classical desert wine. Works great with blue cheese..

Quality Level

Auslese

Varietal

100 % Riesling

We say:

"We love the Auslese from the Doctorberg. It's one of the most dense wines in our portfolio. Creamy and lush – can't wait to open it in 20 years!"
