Dr. Heidemanns-Bergweiler/ Berncastel-Kues Bernkasteler alte Badstube am Doctorberg Riesling GG – Bernkasteler Ring

Terroir

The Doctorberg is the prime vineyard of Dr. Heidemanns-Bergweiler. It is only 4 acres in size and it is held to 100% in the hands of the Pauly-Family. The stony blue-grey clay slate is a residual soil having a very good heat-storing potential, which makes it possible to produce quality grapes for high-end wines. The high proportion of blue slate gives the wine a high content of minerals and finesse. Because of the partly than 70 years old vines the yield is very low due to small aromatic grapes.

Description

Riesling wines labelled as "Großes Gewächs Bernkasteler Ring" originate from our best steeply sloped vineyard – Bernkasteler alte Badstube am Doctorberg – and are distinguished by their extraordinary potential for maturity. Selective berry-picking by hand, an authorized maximum yield of 50 hl/ha and a strict sensory examination are the prerequisites for classifying a wine in this top dry wine category

Suggestion

Have it with bright meat and a mix of different mushrooms and autumn herbs.

Quality Level

QbA (GG – Bernkasteler Ring) highest dry Riesling standard

Varietal

100 % Riesling

We say:

“The GG for our dry Riesling line is the cherry on top of a Sundae. Hard to find so much complexity and minerality in a dry Riesling. Just made in top “Dry Riesling vintages”.”
