Dr. Heidemanns-Bergweiler Dornfelder Dr. Pauly-Bergweiler/Bernkastel-Kues - Germany

Territor

The Dr. Heidemanns-Bergweiler Estate has 12 ha (~30 acres) of Riesling vineyards in the steeply-sloped Middle-Mosel area. More than 75% of our vineyards are marked as „Steillage“. The vineyard soils are mostly Devon slate residual soils with varying parts of topsoil and mineral stone. The slate gives our wines a delicate and cool minerality which is typical for a Moselle Riesling. The combination of cool climate, slate and Riesling makes our wines unique.

Description

Dr. Heidemanns-Bergweiler Dornfelder is made from 100% Dornfelder grapes. Dornfelder is a grape similar to Merlot or Sangiovese, making a very fruity and light wine. This wine is made in stainless steel tanks, resulting in an easy-drinking wine which is comparable to “Beaujolais” or “Chianti”.

Suggestion

The taste of the Noble House Dornfelder is characterized by intense fruity aromas of cherries and red berries. It is a low alcohol medium-bodied young red wine with an excellent up front fruity flavor that lingers on the palate. It is a fantastic wine for Pasta Bolognese. Also goes well with duck breast and red cabbage, and works even for dessert (homemade brownies with vanilla ice cream).

We say:

“Keep it simple! Serve chilled!”
