Dr. Heidemanns-Bergweiler Riesling Dr. Pauly-Bergweiler/Bernkastel-Kues - Germany

Terrior	The Dr. Heidemanns-Bergweiler Estate has 12 ha (~30 acres) of Riesling vineyards in the steeply-sloped Middle-Mosel area. More than 75% of our vineyards are marked as „Steillage“. The vineyard soils are mostly Devon slate residual soils with varying parts of topsoil and mineral stone. The slate gives our wines a delicate and cool minerality which is typical for a Moselle Riesling. The combination of cool climate, slate and Riesling makes our wines unique.
Description	The DRY RIESLING from Dr. Heidemanns-Bergweiler has a refreshing and irrepressible aroma that exudes significant power, emerging with the bouquet of violets when exposed to air. The taste is marked by a distinctive acidity.
Suggestion	It is an ideal partner for any kind of fish. Try it with Dover sole or pike.
Quality Level	QbA
Varietal	100 % Riesling

We say:

„This wine is fun to drink just by itself. It is a powerful Riesling in the style of a good Sauvignon Blanc and it beats any Pinot Grigio in terms of complexity and depth! Try it out!“
